16:05 - **Maria Chesley Fisk**
it took a couple of minutes for the web pages to first appear on my older computer

16:14 - **Sonya 2**
I'm viewing in the browser because there is an error on the Web Tour and it doesn't display.

16:22 - **Peggy George**
that may be because of bandwidth too--sometimes slow loading

17:03 - **kimtaz**
Medina was incredible...thought-provoking, humorous and energetic!
